**ORDER GRANTING IN PART AND DENYING IN PART  
NEHRING ELECTRICAL WORKS COMPANY'S  
MOTION FOR EXTENSION OF TIME TO DISCLOSE EXPERT WITNESSES**

---

The Court heard Nehring Electrical Works Company's ("Nehring") Motion for Extension of the deadline for Nehring to disclose its expert witnesses until May 31, 2005. The Motion was objected to by the Plaintiff, Memphis-Shelby County Airport Authority, on several grounds and by

JACO Airfield Construction, Inc. who requested that all parties be granted an extension and be provided an opportunity to present rebuttal experts. Graybar Electric Company, Inc. also asked that the extension apply to all parties. Memphis-Shelby County Airport Authority, in opposition, requested that if the Motion was granted that all parties be provided an opportunity to present rebuttal experts. Nehring represented to the Court that if it did identify an expert witness, it would identify one additional expert regarding environmental factors affecting the Nehring aircraft lighting cable. Having heard the argument of counsel, the Court grants Nehring's Motion for Extension of Time to Disclose Experts in part and denies it in part.

IT IS ORDERED that Nehring's deadline for disclosing experts be extended until May 15, 2005. Nehring is allowed to identify no more than one additional expert on the subject of environmental factors affecting the Nehring aircraft lighting cable. The remaining parties' deadline for disclosing experts shall be extended until June 15, 2005.

**SO ORDERED**, this the 27<sup>th</sup> day of April, 2005.
